HARTFORD BUSINESS JOURNAL

Movers & Shakers

GEI Consultants Inc., a geotechnical, environmental, water resources, and ecological science and engineering firm, announced that **David B. Terry, P.G., LEP**, a vice president with the firm in the Glastonbury office, has been promoted to the position of senior consultant. He has been an environmental consultant since 1990 and was elected to GEI's Board of Directors in 2008. Since 1999, he has acted as a client service manager and team leader for one of GEI's electric and gas utility service teams. Terry is a registered professional geologist in the Commonwealth of Pennsylvania and a licensed environmental professional in the state of Connecticut.
