Environmental  
Water Resources  
Ecological

## **GEI Consultants Acknowledged as one of Banker & Tradesman's 'Best Of' Vendors**

Firm receives loyalty and support of environmental and engineering clients

**BOSTON, Mass. —October 16, 2009—** GEI Consultants, Inc., one of the nation's leading geotechnical, environmental, water resources, and ecological science and engineering firms, announced today that it has been recognized with four awards in the second annual Banker & Tradesman 'Best Of' readers poll.

The 'Best Of' poll asked readers to choose their favorite vendor within several financial and real estate categories. In the Development and Construction category, GEI was recognized with a gold award for Environmental Services and a silver award for Engineering Services. In the Commercial Real Estate category GEI received silver awards for both Environmental and Engineering Services.

The Banker and Tradesman 'Best Of' survey is a subjective poll that measures the vendor loyalty and satisfaction of readers. Banker & Tradesman offers the survey as an opportunity for readers to vote for the companies they believe provide the best service.

### ***About Banker & Tradesman***

Banker and Tradesman is a news publication that offers timely and reliable real estate data and financial information to readers in the metropolitan Boston area. With more than 135 years of experience collecting and publishing real estate-focused news and public records, estate and lending professionals, marketers, home buyers and sellers are able to keep track of the New England market.
